

Hello members, families and friends,

## Home for Sale

Bob and Deb Killmer, long time residents on Big Fish Lake are selling their home which is on the west side of the DNR Boat Landing. It was previously home to El Dick's Resort. Last Fall they redid the outside by installing new windows, siding, soffits and fascia. The roof and the decks have also been updated. The home is listed on the Zillow Website under 17232 Big Fish Lake Road, Cold Spring, MN 56320. Please look at the pictures (some not updated) that are posted and if you have any questions, please feel free to call Bob & Deb at: 320-685-7094 or email them at: [fishonbigfish@gmail.com](mailto:fishonbigfish@gmail.com).

The Killmers also have some gently used items that they are giving away. All of the furniture is in the garage so it is easily accessible.

- 1) Desk: 5' long, 30" deep, 29-1/2" tall
- 2) Office Chair: was used with the desk
- 3) Cabinet: 19" x 17" x 34-1/2" (was an old stereo and could be used as a possible bar.)
- 4) End Table/Coffee Table: 25" square, approx 21" tall
- 5) Art Supply Cabinet: 30" wide, 15" deep, 30" tall (This belonged to Bob's Uncle Leonard Fellman. Deb says that maybe his fantastic talent could rub off on the new owner!

Please note that the Killmer's would like to give away the desk **and** the chair as a pair, if possible. Otherwise, they are ok with the desk going first without the chair in case someone wants both.

\*\*\*\*\*

Every year the BFL Board and members receive calls or watch their neighbors and landscaping companies blow leaves into the lake. Please do not do this!!! Thick leaf cover on the surface of the water prevents sunlight from reaching important microbes that process and release nutrients. The nutrients are used by aquatic plants, while microbes are food for shad and paddlefish so too many leaves overload the system. Decomposition of large amounts of leaf litter reduces oxygen in the water. This will cause the release of sulfur dioxide, producing a rotten egg smell. So, be attentive to our lake and let's not add more nutrients than it already has.

\*\*\*\*\*

Stay warm folks and remember, summer is just around the corner. That is optimistic thinking!!!!

Please look for the Big Fish Lake Membership Letter and Invoice coming soon in the mail to you. Thank you for your time!

Gratefully,

Kit Ferber  
President
