Join Us IN PRESERVING OUR LAKE

To preserve what we have today and to look to the future, Big Fish Lake Association invites you to make a financial gift and help protect Big Fish Lake for future generations. Our Legacy's goal is to raise an endowment of \$500,000 or more over the next 3 years. The first \$100,000 raised will go into a "emergency fund" to quickly access when and if we need it. Additional funds raised will go into the Legacy Fund endowment where the principal will grow.

Here's what a single contribution could do for us...

Year 1	Year 10	Year 15	Year 25
Donor establishes \$5,000 endowed fund	Fund grows to \$7,756	Fund grows to \$9,899	Fund grows to \$16,125
